

EoP Axis Military Necessity Evacuation

Request for Legal Assistance to Paul Harris:

GMC 4643-13 applicants Request for Legal Assistance correspondence
to Paul Harris [[PDF](#)]

Last Updated: 18 December 2015

Annexure to:

Request for Assistance of Counsel

GMC 4643-13 applicants Request for Assistance of Counsel [[PDF](#)]

Annexure to:

**EoP Axis correspondence sent collectively To or CC:
All EoP Axis Applicants [[PDF](#)]**

EoP Axis documentation is available at: [EoP NWO social contract options](#) → [EoP Axis Military Necessity Evacuation](#).

Summary of Assistance of Counsel Requested:

Legally confirm:

1. EoP Applicants as ICC Private Prosecution Applicants. If confirmed.
2. PM Netanyahu & Mossad consent as EoP Axis Coercion. If confirmed.
3. EoP Axis Officials Heads of State confirm their intent to act as EoP Axis.

If confirmed:

4. EoP Axis Officials confirm EoP Axis Military Necessity Evacuation Orders to NSA, FSB, NATO & People's Liberation Army of China; in the event coercion of any ICC respondents is considered necessary.

ICC Filing of:

5. EoP PoW's –v– Nobel Committee & Peace Laureates et al; or

6. EoP PoW & GMACCC –v– Cop21 Min of Environment Signatories; based upon EoP PoW's –v– Nobel Committee & Peace Laureates et al 'crimes of aggression' and 'EoP Cop21 Simple Root Cause Problem Solving Recommendation to Political Parties'.

Mr. Harris

Paul Harris: Guerrilla Law: Ecology of Peace ICC Private Prosecution Assistance of Counsel Request

I am writing to various attorneys who appear cognitively capable of outside mainstream normal legal thinking.

If Judge James Gray agrees to the invitation submitted to him; it has been my suggestion that he be lead counsel who can represent mainstream military and peace principles and experience; but also 'outside the mainstream normal box' legal thinking and advocacy.

Summary of Assistance of Counsel Requested as per request to Judge James Gray; with minor accuracy edits:

Legally confirm:

1. EoP Applicants as ICC Private Prosecution Applicants. If confirmed.
2. PM Netanyahu & Mossad consent as EoP Axis Coercion. If confirmed.
3. EoP Axis Officials Heads of State confirm their intent to act as EoP Axis.

If confirmed:

4. EoP Axis Officials confirm EoP Axis Military Necessity Evacuation Orders to NSA, FSB, NATO & People's Liberation Army of China; in the event coercion of any ICC respondents is considered necessary.

ICC Filing of:

5. EoP PoW's –v– Nobel Committee & Peace Laureates et al; or
6. EoP PoW & GMACCC –v– Cop21 Min of Environment Signatories; based upon EoP PoW's –v– Nobel Committee & Peace Laureates et al 'crimes of aggression' and 'EoP Cop21 Simple Root Cause Problem Solving Recommendation to Political Parties'.

I am only a paralegal who has been acting as a pro-bono pro se applicant and pro bono clerk for other applicants who have been acting as plausible deniable pro-bono applicants along with another set of plausible deniable observers; and the aforementioned summary is simply my suggestions not only to any formal assistance of counsel or lead counsel attorney; but also to applicants and observers.

I shall deal with them in a bit more detail; in what I consider logical order.

Legally confirm EoP Applicants as ICC Private Prosecution Applicants.

The pro bono applicants are: Nanette Derenzi: former US Navy JAG; Dennis McGinn: Assistant Secretary of the Navy: Energy, Installations & Environment; Timothy McVeigh: OKC bomber currently employed at NSA; Erik Prince: Former Founder of Blackwater; Vladimir Putin: President of Russia; David Petraeus: Former CIA Director; Stan McChrystal: McChrystal Group; Ray O'Dierno: Former US Army Chief of Staff; John Mulholland: current CIA Pentagon liaison.

The pro bono observers have been: Jay Bybee: Judge at United States Court of Appeals for the Ninth Circuit; David Coombs: Bradley Manning attorney; Zbigniew Brzezinski: former advisor to President Carter; Generals: Dana Pittard; Herbert Raymond McMaster, George Flynn and James Mattis; John W. Whitehead: Constitutional Attorney; Donald Rumsfeld: Former Sec of Defence; Supreme Court Justices via DoJ: SupremeCtBriefs; Holy See in London; Grand Lodge of TX: Grand Secretary; Arif Hasan Akhundzada: Pashtun Pakistan citizen.

Re: plausible deniable applicants and observers:

According to my observation two of the applicants could be considered plausible deniable committed to the implementation of an Ecology of Peace international law social contract. They are Timothy McVeigh and Vladimir Putin.

I imagine Timothy McVeigh shall remain plausible deniable until Pres Bush and/or Governor Gray Davis legally confirms his 11 June 2001 faked execution. Those negotiations can be found in: *Ecology of Peace culture correspondence regarding the Oklahoma City Bombing and the faked execution of Timothy James McVeigh [PDF]*. I imagine Vladimir Putin shall remain plausible deniable until (i) the issue of McVeigh's faked execution is resolved; and/or (ii) Israel ICC coercion issues are confirmed; although I could be wrong on both those counts; and President Putin may be willing to discard his plausible deniability based upon the same grounds as the plausible deniable working hypothesis enquiry applicants. One thing I have little doubt about is his level of EoP commitment.

The other applicants I would classify as closer to plausible deniable working hypothesis enquiry; some closer to committed and others closer to enquiry; where exactly on that scale they would fall; I don't know. I imagine they would tilt closer to committed with a qualified counsel on

board; particularly one who could not only represent both military and peace principles; but also 'outside the mainstream normal box' legal principles; such as Judge James Gray.

Filing of: EoP PoW's –v– Nobel Committee & Peace Laureates et al or EoP PoW & GMACCC –v– Cop21 Min of Environment Signatories:

Summary: EoP PoW's –v– Nobel Committee & Peace Laureates et al

This is a private prosecution complaint to the International Criminal Court in terms of Rendulic Rule Military Necessity doctrine; CA, UK, US & RSA Common Law Private Prosecution doctrine; Rome Statute: Art.5, 6, 7, 8 & 15; ICC Code of Judicial Ethics: Art 4, 5(1), 7 & 11.

Purpose: Nuclear Freedom Mutual Coercion Military Necessity for the Implementation of an Ecology of Peace international law social contract. Charges: Crimes of Aggression Acts of War.

Accused Respondents:

Norwegian Nobel Committee; Nobel Peace Laureates; Bank of Intl Settlements; Inter-American Dev Bank; APRACA: Asia-Pacific Rural & Agriculture Credit Assoc; WFE: World Fed. of Exchanges; OICU-IOSCO: Intl Org of Securities Commissions; IAEA: Intl Atomic Energy Agency; NEI: Nuclear Energy Institute; WCA: World Coal Assoc.; UN General Assembly States & UNDP / UNFPA / UNOPS Executive Board Secretariat.

Accused Respondents have the option of (i) consenting to private prosecution proceedings; to willingly hold themselves accountable to take responsibility for their crimes of aggression acts of war overconsumption and/or procreation and voluntarily cooperate; or; (ii) refusing to consent and hence being coerced to cooperate; to nonviolently deindustrialize and reduce consumption and procreation to ecological carrying capacity limits; through specific actions requested of them.

All documents can be found at: [EoP ICC complaint](#) The most recent – 27 October 2015 draft [PDF]. Excerpts:

Ecology of Peace Decalogue Commandment definition for 'crimes of aggression acts of war; is as follows: "Any individual who is found guilty of advocating on behalf of, legislating, enforcing, or obeying any – cultural, religious, common, statutory, constitutional, or international – 'scarcity combatant' social contract; which enables or advocates on behalf of human procreation, consumption or production of resources that transgress ecological carrying capacity limits, is guilty of the 'crime of aggression act of war'."

Carrying Capacity Sustainability: I=PAT Equation: For activities to be genuinely sustainable it must be possible for them to continue indefinitely. The impact of humanity on the environment and the demands that people place on the resources available on the planet can be summarised by what is known as the Ehrlich or IPAT equation, I=PAT. I = impact on the environment or demand for resources, P = population size, A = affluence and T = technology. The two most important conclusions deriving from this IPAT footprint relationship are that: (i) the Earth can support only a limited number of people, at a certain level of affluence, in a sustainable manner; and (ii) Population and Consumption must be reduced to below carrying capacity.

Carrying Capacity aka Biocapacity Limits: “The maximum number of individuals that can be supported sustainably by a given environment is known as its ‘carrying capacity’. Worldwide the total amount of biologically productive land and sea amounts to 12 billion global hectares (gha); or 1.8 gha each if divided by 6.7 billion each. Guerrilla Laws are drawn up in accordance with the proactive conservation policies of Bhutan, who set aside 40% of their biologically productive to be returned to its natural state, for other species and wildlife conservation purposes; then that means that the total amount of biologically productive carrying capacity land available to humans is 60% of 12 billion; which amounts to 7.2 billion gha total; or 60% of 1.8 gha, which is 1 gha each. Population factor is relevant, because the more humans there are, the less biologically productive land there is for everyone else.

Consumption Violation Sentences: Individuals found guilty of violating consumption social contract limits; would be required to (A) either relinquish their excess consumed products; or if already spent pay an appropriate financial fine; to a conservation trust fund or similar; and (B) sign a legal agreement – similar to the MILINT Earth Day Ecology of Peace Oath [PDF] – with law enforcement authorities to commit to consuming below carrying capacity limits, and failing to honourably do so authorizing a Judge to authorize law enforcement officials, to remove their dishonourable genes from the national genepool.

Procreation Violation Sentences: Individuals found guilty of violating procreation social contract limits; would be required (A) to (i) relinquish said child for adoption (if wanted to be adopted by a family) and agree to be permanently sterilized; and (ii) sign a legal agreement – similar to aforementioned MILINT Earth Day Ecology of Peace Oath – with law enforcement authorities to commit to consuming below carrying capacity limits, and failing to honourably do so authorizing a Judge to authorize law enforcement officials to remove their dishonourable genes from the national genepool; (B) if no adoptive family is found; both parents and children are to be given their choice as to how they prefer to be humanely executed.

Crimes of Aggression Acts of War Sentencing: Military and Intelligence agency officials shall deliver the humane and orderly ‘genepool cleansing’ termination by assassination sentencing of all convicted accused; whose scarcity combatant bodies shall not be buried, but dumped into former coal, granary or other related silo’s to be organically converted into compost.

Summary: EoP PoW's & GMACCC –v– Cop 21 Min of Environment Signatories

This could either supplement *Summary: EoP PoW's –v– Nobel Committee & Peace Laureates et al*; or perhaps even replace it; as a simpler more effective option; based upon the same ‘crimes of aggression acts of war’ charges and definition.

In this case however the respondent parties would be required to consent to the following legally binding suggestion; as per the 10 December 2015: EoP Cop21 Simple Root Cause Problem Solving Recommendation [PDF]; to eliminate the manmade causes of global warming.

Negotiators from over 190 countries – representing citizens from many different races, classes, cultures, religions – have come together to negotiate a ‘climate change agreement’; to stabilize atmospheric concentrations of greenhouse gases (GHGs) to avoid “dangerous anthropogenic interference with the climate system”; with the aim of keeping global warming below 2°C.

Simplify Suggestion:

“If you can't explain it simply, you don't understand it well enough.” - Albert Einstein

1. Climate change – like food shortages, food inflation, cost of living increases, urban sprawl, traffic jams, toxic waste, pollution, peak oil, peak water, peak food, peak population, species extinction, loss of biodiversity, peak resources – is a direct and indirect consequence of overpopulation and overconsumption.
2. Overconsumption and overpopulation are a direct consequence of humans procreating and consuming above ecological carrying capacity limits.
3. Humans procreate and consume above ecological carrying capacity limits because the current international law social contract; provides the worlds nations citizens with the ‘right to breed and consume with total disregard for ecological carrying capacity limits’.
4. Humans will stop procreating and consuming above ecological carrying capacity limits when legislators amend the international law social contract; to require all the worlds citizens to procreate and consume below ecological carrying capacity limits.

EoP Cop21 Simple Root Cause Problem Solving Recommendation:

Cop 21 negotiators agree to support international law legislation requiring all the worlds nations political parties to agree to implement national legislation by 11 September 2016; that requires all their citizens to procreate and consume below ecological carrying capacity limits. Any political party which refuses to cooperate; is to lose their political party license. Any nation that refuses to remove the violating political party’s license may be legally charged in an international court; by any individual in that nation or another nation with the intention to bribe their citizens to overbreed or overconsume; which shall be considered crimes of aggression acts of war; punishable by the death penalty for every single member of that political party.

Once implemented all political parties will be on an even playing field and will no longer be able to bribe their citizens with individual or corporate welfare to vote for their political party. Politicians shall have to find their [Thomas Sankara](#) backbones; to cooperate with their citizens to teach them how to become cooperating self-reliant sustainable nations.

PM Netanyahu & Mossad consent as EoP Axis Coercion:

Original basis for recommendation of Mossad / Shinbet as EoP Axis Coercion; which has been shared with PM Netanyahu; include among others: [Israel’s Shin Bet Generals call for peace](#).

EoP Axis Officials Heads of State confirm their intent to act as EoP Axis.

Basis for recommendation of EoP Axis include among others; which has been shared with EoP Axis authorities; include among others: Real News: [Paul Jay’s Reality Asserts Itself: Who Makes US Foreign Policy interview of Lawrence Wilkerson](#); particularly the [predatory capitalism](#) part; which deals with the necessity of the great powers cooperating to implement a new economic order; to address the massive impending planetary social conflict problems resulting from climate change, peak food, peak water, peak oil, etc.

EoP Axis Officials confirm EoP Axis Military Necessity Evacuation Orders to NSA, FSB, NATO & People's Liberation Army of China; in the event coercion of any ICC respondents is considered necessary.

The EoP Axis Lotto Coercion option, basically recognizes that as in Star Trek; we are all to blame; some more than others; but very few can consider themselves ecologically innocent in terms of having procreated and/or consumed below ecological carrying capacity limits. Recognizing this reality; our ICC complaint application must include a coercion option targeting any and all respondents who refuse to honourably cooperate by filing briefs to justify their refusal to cooperate; including the individuals (a) with the largest procreation and/or consumption footprint: i.e. breeding / consumption war extremists; and (b) individuals who are members of professions who are considered to be 'social conflict' problem solving leaders; who have clearly failed to educate their nation's citizens about Ecology of Peace reality facts.

Ecology of Peace Reality Facts: (a) Earth is not flat; (b) Earth renewable and non-renewable resources are finite; (c) When humans **breed or consume above ecological carrying capacity limits**, it results in **resource conflict**; (d) To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict national and international inter-cultural, racial and religious resource war conflict; humans must reform and/or abolish the **Masonic War is Peace** international law social contract; and cooperate to implement an **Ecology of Peace** international law social contract that restricts all the worlds citizens, from all races, religions and classes; to breed and consume below ecological carrying capacity limits.

All EoP Axis documents can be found at [EoP Axis](#). The most recent EoP Axis Lotto Draft [\[PDF\]](#). Some excerpts:

EoP Axis Military Necessity Evacuation Lotto pool consists of nation states starting with 25 nations with highest scarcity combatant footprints. Each lotto draw will select two nation states. The two lotto Nation states shall have half of selected Scarcity Combatants – Lawyers, Mental Health, Organized Religion, Charity Non-profits, Media and Breeding/Capital War extremists – evacuated; excluding scarcity combatants who have signed EoP Axis Oaths. Evacuated means humanely eliminated by means of psychotronic technology that terminates the functioning of their bodily organs; their bodies are to be disposed of in silo's for composting.

Cities: → City administrators must reduce their city populations to a maximum of 25,500 residents. Their cities must be separated from the next city by a green corridor of minimum 5 miles; between itself and neighbouring 'city' to be considered a second 'separate city' for the purpose of 'resident counting'; and the green corridor should be 25 miles from any third city.

Scarcity Combatants: → Law: Judges, Prosecutors & Lawyers; Mental Health: Psychologists & Psychiatrists; Media: Print, TV or Radio: Editors, Producers & Journalists; Religious & Non Profit: Officials and Employees of any religious worship or charity organization with State non-profit status.

Breeding / consumption war extremists: → Any adult individual over the age of 18 who qualifies as an extremist Scarcity Combatant: i.e. Breeding: any individual who has co-procreated more than 3 children who survived beyond the age of 5; Capital/Consumption: any individual whose capital assets amount to more than US \$ 2.55 million.

The EoP Military Necessity Mutual Coercion ICC Option Lotto Evacuation shall continue until (a) all nations national leaders have provided 'EoP Axis of Mutual Coercion' authorities with their Nations verified EoP Axis oath commitment of unconditional cooperation; and (b) all nations chief prosecutorial authority: attorney general / public prosecutors have filed their written consent with the International Criminal Court registrar for private prosecution proceedings of [EoP PoW's –v– Nobel Committee & Peace Laureates et al](#); or (c) their written legal objections.

Conclusion:

If you are willing to sincerely and seriously consider this request; but need more time to make a full enquiry before making a final fully informed decision; please confirm and clarify that you are willing to sincerely and seriously consider this request; and let me know by when you will be willing to provide your answer.

If you are not willing to sincerely and seriously consider this request; kindly notify me as soon as possible; so that Applicants and Judge Gray know where you stand on the issue.

If you have any questions, please feel free to ask.

This correspondence shall be included in: EoP Axis Military Necessity Evacuation: Admin Correspondence [[PDF](#)]: Annexure: Request for Assistance of Counsel [[PDF](#)]

Mr. Harris

Thanks for your response. If the issues interest you; and you have any other legal feedback at any time, please feel free to share.

We met many years ago; you probably don't remember. Dr. Richard Korn took me to meet you in your loft in San Francisco. If you have any other suggestions; or think any other guerrilla warrior lawyers may be interested, please feel free to share with them.

Thanks again for your prompt response. All the best.

Lara Johnstone

Publication of EoP responses to (i) Silver Square Lodge #791: Eli Elihu; (ii) English Democrats: Steve Uncles

Please Note that -- until I have found Masonic War is Peace attorneys [Req. Asst of Counsel: [PDF](#)]; psychologists [Psych: [PDF](#)] and/or court that (a) consider me entitled to a free and fair military necessity trial by an impartial court of Judges capable of hearing constructive criticism about the fuck up that is their or the Masonic War is Peace cult social contract religion; irrespective of whether I am the one and only village idiot on the planet who has such heretical Ecology of Peace anti-masonic beliefs, or whether there are only a handful of people on the planet who support my heretical anti-masonic beliefs [D. Rumsfeld: [PDF](#); OKC [PDF](#)]; (b) evaluate my Ecology of Peace Factual Reality statements, actions and motives in accordance to my subjective and the objective truth and evidence; the whole truth and evidence; and nothing but the truth and evidence [RH Fraud: VA Pros Theo Stamos [PDF](#)]; and (c) my Radical

Honoursty Ecology of Peace culture is legally acknowledged [[EoP legal submissions](#)] -- my correspondence to you shall not be published in EoP v WiP negotiations correspondence found at [MILED Clerk Notice](#); but shall be published at: Practicing Radical Honoursty [[EoP](#) | [WiP](#)].

Ecology of Peace Facts Reality: (a) Earth is not flat; (b) Earth renewable and non-renewable resources are finite; (c) When humans [breed or consume above ecological carrying capacity limits](#), it results in [resource conflict](#); (d) To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict national and international inter-cultural, racial and religious resource war conflict; humans must reform and/or abolish the [Masonic War is Peace](#) international law social contract; and cooperate to implement an [Ecology of Peace](#) international law social contract that restricts all the worlds citizens, from all races, religions and classes; to breed and consume below ecological carrying capacity limits.

Should either of you or your political party leadership or members desire my departure from this planet; because I 'appear to be a complete waste of oxygen'. I have been attempting to make arrangements for my departure from this Masonic infested planet of gutless cowards for fifteen years now. All I have asked is for South African and/or International authorities or Oklahoma City bombing prosecutors and/or counsel to confirm with President Bush and/or Governor Gray Davis that Timothy McVeigh's execution was faked; and whether the terms of his faked execution allow for me to physically spend two years with Timothy McVeigh off grid in a little village in the Siberian wilderness; before we depart this planet together.

So far South African and/or International prosecutors, lawyers, magistrates, judges, politicians and Oklahoma City bombing prosecutors and counsel refuse to confirm with President Bush and/or Governor Gray Davis that Timothy McVeigh's execution was faked; so I have been unable to find out whether the terms of his faked execution allow for me to physically spend two years with Timothy McVeigh off grid in a little village in the Siberian wilderness; before we depart this planet together.

If you or your fuck honour political party leaders are willing to confirm with President Bush and/or Governor Gray Davis that Timothy McVeigh's execution was faked; and find out whether the terms of Timothy McVeigh's faked execution allow for me to physically spend two years with Timothy McVeigh off grid in a little village in the Siberian wilderness; before we depart this planet together; then we can expedite your desire for my departure from this planet; so I don't consume any more of your or your fuck honour political party's oxygen.

Respectfully,

Lara Johnstone, aka Andrea Muhrrteyn [[EoP Oath PDF](#)]
